A place to call home

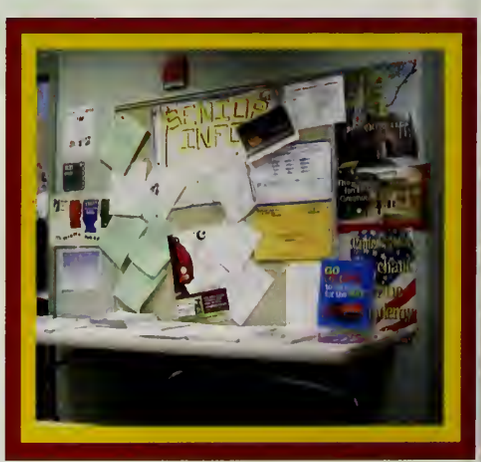
2008 Dedication

Mr. Powers and Mrs. Cavallo have been the first team of guidance counselors to go through our "Looping System". They have been with the class of 2008 since they were freshmen. Mrs. Cavallo actually had many of these students at the intermediate level.

They both empower the senior class. They hold the students accountable. The students are forced to take responsibility for their actions and needs. These two counselors are always available to help and assist their students, but they insure that the students have tried to help themselves.

Both counselors treat each student with the respect that they have earned during their years at Weymouth High School. It doesn't matter if the student is going to college, entering the military, entering the work force or even transferring to the evening school. Mr. Powers and Mrs. Cavallo are caring, compassionate, hard working and well respected by all at Weymouth High School.

In addition, Ms. Branca filled in for Mrs. Cavallo's leave. She was great, coming in September and helping many seniors begin the process of college selection. She helped other students who were in jeopardy with graduation requirements, class selection and the adding and dropping of classes. She adjusted to the new computer system, put in many, many hours of her own time and displayed a true professionalism to students, staff and administrators. She is a great addition to the Weymouth High School community!



Weymouth High School - Class of 2008

First, let me say that we are truly an amazing class! I have always felt tremendously honored in having the privilege of representing our class. Our graduation is an amazing milestone. We've earned this and deserve to be proud! Thank you to family, faculty, staff, and friends who have all made our journeys possible.

It's now our turn to say goodbye. It is with great fondness that I will remember each of you and wish for your happiness. Let us hold dear our friendships that carried us through countless lunches, tests, games, dances, and so much more. It will be strange not seeing all those familiar faces each morning, including the faculty and staff, but our memories bond us together. They will stay forever in our hearts and will always be a part of us. Remember, it is always the people with their words of encouragement, a hug, or a simple smile that carry you through life. Be mindful that with these acts, you too can make all the difference.

Now, with each one of us pursuing our own unique path separate from each other for the first time, I hope you will think back with a smile, remembering fondly the days, months, and years that we have shared together. I wish you good luck, friendship, and wisdom. Remember how it all began? We came from the north, the south, the east, and the landing. And even though we were so very different, with our ideas and goals, we learned how to get along. With this chapter of our lives closing and a new one beginning, it is time to find out what the next chapter brings.

Finally, with a sincere gratitude, I ask you to remember this always: never lose sight of who you are, where you are from, and what you wish to achieve, for each of us, in our own way, can and will change this world.

The football team enjoyed another outstanding season this fall. The team won ten regular season games for the first time in nearly sixty years. Led by captains Jake Harrison, Barrett Jacobs, Pat MacDonald, and Michael Waithe the Wildcats provided their fans and community with numerous memories en route to a second straight Carey Conference Championship and play-off appearance. Conference All-Stars were seniors Harrison, Waithe, Gardner, D'Allessandro, MacDonald, Gosselin, and junior Royce Terrell. With a strong JV returning along with an undefeated freshman squad the 2008 season looks promising as well.

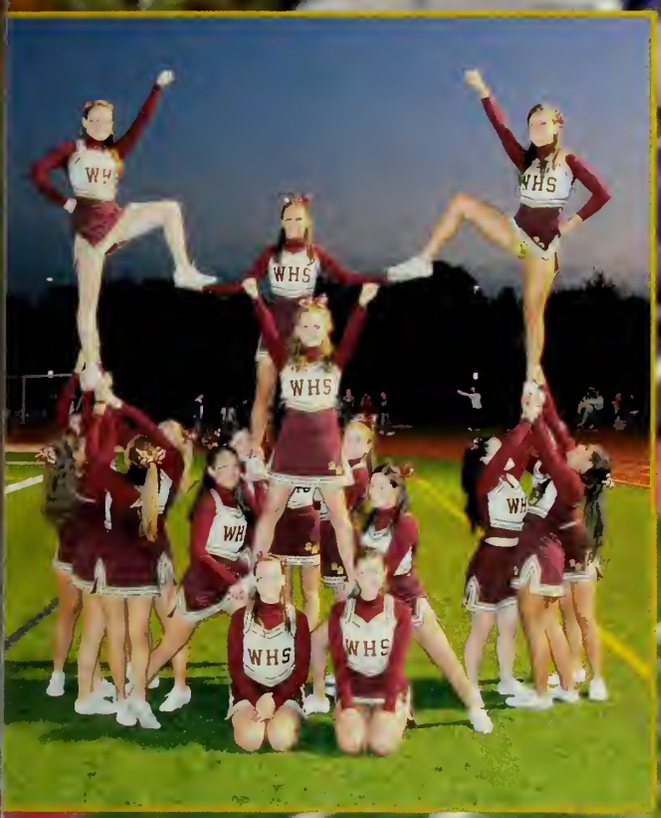
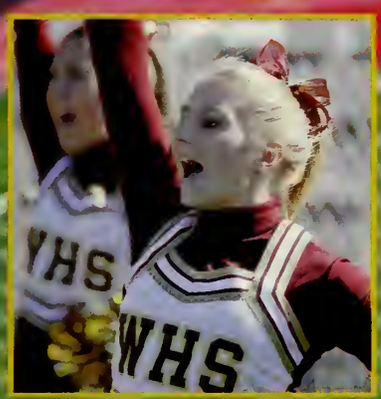
The Cheerleaders kicked off their season last June as the official entertainment for the "Relay for Life-Dancing with the Stars" and also participated in the 24 hour walk. They then held a week long summer camp for elementry age children. On the first week of school their games and preparation for competition started. They also held a day camp for elementary children where a routine was learned and performed at a home football game. All season the girls decorated the locker room for every home game and the doors of their "secret buddies" on Thanksgiving eve.





Julie Corey

"This year has been great, we worked really hard and had so much fun. Good luck and I'll miss you all."

Samantha Doyle

"Girls, thanks for some awesome seasons and times I'll never forget. Good Luck next year. I'll miss you."

Last season 4 of the top 7 runners graduated, leaving the current team to step up and fill the gaps. They were lead by Robert Keegan who came up just shy of making it to the state championship. All in all, the boys' had a decent year and it was a season of rebuilding, finishing with a 6-5 record. Next year looks promising with big improvements by Steven Connolly, Sean Farrell, Corey Hermitage, and Benjamin Stuart.

The Boys Soccer Team finished the regular season in second place behind Framingham with a record of 10-3-3 in the conference and 13-4-3 overall. They played a very difficult regular season schedule in hopes that it would prepare them for the post season and it paid off. Tyler Oakes and Kyle Cronin were chosen as BSC and Eastern Mass all-stars. They won the South Section of the State Tournament as the #7 seed by defeating #10 seed Dennis-Yarmouth, #2 seed New Bedford, #6 seed Marshfield, and #4 seed Brockton. They lost to Framingham in the State Semi-Final 2-1 in penalty kicks but the memories and their successes are attributed to the leadership of the senior class and the dedication and work ethic of all of the players on the team.

The 2007 Lady Wildcats enjoyed a memorable season that included a historic run through the South Sectional Tournament. An experienced group of seniors mixed with some talented underclassmen led the team to a record of 17-2-4. The highlight of the season will forever be defeating Whitman-Hanson in overtime to win the program's first ever Sectional Title. Congrats on a great season ladies. Keep the ball on the ground and stick to the script!

This year's golf season was both a rebuilding year and a success. Under the leadership of co-captains Brendan Duane and Alex Bartlett WHS started three freshmen all season. This allowed them to gain the experience that will be the backbone of the next season's team. Also, Alex Bartlett qualified for the state individual golf tournament based on his ability to shoot par or better throughout the season.

The swim team finished their season with an overall record of 3-9 . The captains, Emma Murphy, Emily Powers, and Erin Walsh, led the team with many great accomplishments. The swim team sent seven swimmers to sectionals and four swimmers to states. The freshmen did a great job proving themselves to be loyal and very hard working. The sophomores and juniors improved greatly throughout the season. Win or lose the girls had a great attitude and never gave up.

The 2007 spring season was a rebuilding year for the boys' volleyball Wildcats team. After graduating five of six starters, the team looked to gain experience and compete in each match. The team ended the season with a record of 8-10, after beating league rival Framingham and non-league power-house Quincy. The volleyball team made major improvements to their play as the season progressed, just missing the post-season Sectional tournament by one game. Rob Sinewick, James Gendrolis, Ron Boretti, John Manganello, Joe Donnelly, and Dana Goodwin will lead a strong returning group of players that look to improve on last season's efforts.

The Lady Wildcats had a very fine season winning the Carey Division in the Bay State League. A winning season, with a final record of 14 wins and 6 losses, was highlighted by their first trip in four years to the MIAA Tournament. The record in the tourney was 1 and 1, starting with a big win over Madison Park on our home court and followed by a heart-breaking loss at Barnstable.

Much of the success this season was due to the diligence and dedication of the seniors on the squad, especially the tri-captains Kelly Finamore, Jackie Moscardelli (second team All-Star) and Jess Stuart.

The Lady Wildcats are hoping for continued success in 08-09 with returning All-Stars Sarah Collins (1st team) and Jill Coyle (2nd team).

Chris Connolly, Joe Guiducci, Brendan Duane, Barret Jacobs and Mike Guilfoy provided even more strong senior leadership throughout the course of the season. The Wildcats were looking to rebound from a phenomenal run the previous year. The Wildcats were coming off a season where they saw 13 seniors graduate. The team managed to find a way to remain competetive in the BSL and earn a birth in the Division 1 State Tournament. During the regular season, the Wildcats earned a record of 10-8-2. The Wildcats found themselves back in the finals of the Ed Taylor Memorial Tournament and finished 2nd in the Bay State Carey Division. The future looks bright for the boys hockey team much in part to the youth of the program. Many young players were forced to take on rolls and gain a worth of experience that will prove to be invaluable in the years to come. These dancers performed at the Varsity Football, Soccer and Basketball games and were featured at many events throughout the community. Also, they participated in challenging competitions against other surrounding towns throughout the year. This past summer the girls were recognized at a summer dance camp/competition hosted by the Universal Dance Association, for being the most talented team in the region. Each dancer contributed positively to the team and as a whole they were an amazingly talented group of girls.

The Weymouth High School Variety Show is an annual event that uses the proceeds for helping the community as well as giving back to the students by awarding The Ted Hawkes Memorial Performance Award. This award was created 3 years ago in memory of a 1990 Weymouth South High School graduate who, in 2003, passed away during military training. He enlisted in the wake of the 9/11 attacks on the United States. In high school, Ted was voted most musical in his yearbook. He performed with Mr. Maskell in their variety show and the Maskells decided that a scholarship would be a good way of honoring an old friend. With the help of the Hawkes family, who own Park Ave. Market, this scholarship was a great success for the third year.

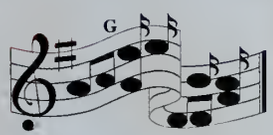
PLAY

"Wildcats everywhere wave your hands up in the air"

"We're all in this together"

Troy Bolton (Nolan Howard) and Gabriella Montez (LeAnne Piepiora) are two totally different teenagers who meet at a party while singing karaoke on New Years Eve. After the winter break, Troy goes back to his high school, East High, in New Mexico to find that Gabriella is a new student there. They quickly become really good friends and accidentally audition for the school musical. After getting a callback, drama queen, Sharpay Evans (Rachael MacAskill) and her sidekick brother, Ryan (Shane Hennessey) are furious, as well has Chad (Laren Silva), Troy's best friend and basketball teammate, and Taylor (Julia Liebert), Gabriella's new friend on the decathlon team. The two teams must find out a way to make Gabriella hate Troy. The ensemble soon supports their choices and lets them "break free," and perform in the " High School Musical."



"Get'cha Get'cha head in the game"

"I've never had someone that knows me like you do"

"Don't mess with the flow, no no stick to the status quo"

Just wanted to mention
Ricky's great year.
He's painted a path
He follows so close
If theres a fork in the road

Not that you'd want us to,
We are the parents who say
We couldn't be more proud of you.

Miles Apart

Yellowcard

If I could I would do all of this again
Travel back in time with you to where this all began
We could hide inside ourselves and leave the world behind
And make believe there's something left to find

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but you're always in my heart

Now we've all grown up, gone on and moved away
Nothing I can do about it, nothing I can say
To bring us back to where we were when life was not this hard
Looking back it all just seems so far, so far away

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but you're always in my heart

I'd give it up for just one more day with you
Give it up for just one more day
I'd give it up for just one more day with you

I'd give it up for just one more day with you
Give it up for just one more day
I'd give it up for just one more day with you

I'd give it up for just one more day with you
Give it up, give it all away
I'd give it up for just one more day with you

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but you're always in my heart

I need you now, we're miles apart
I'll keep you deep inside
You're always in my heart
I need you now, we're miles apart
I may be leaving but you're always in my heart
